Dear Sir:

I have an old English coin found sometime ago
in making an excavation near Suffolk. Please be kind
enough to advise me whether or not if I send this to you
you will give me the date of this coin and some idea as
to its value, if any, and what will be your charge for
this service.

Very truly,

A handwritten signature in cursive script, reading "James H. Corbett". The signature is written in dark ink and is positioned below the typed name "James H. Corbett".
